Djembe solo
solo 7

Djembe solo
solo 7 vervolg

Djembe solo
solo 7 vervolg 2

Djembe solo
solo 7 slot

The score is a multi-measure rest chart for a 6/8 time signature, divided into four measures of 6/8 each. It features several parts: Djembe1 and Djembe2, a Djembe solo with signal and accompaniment, Kenkeni_HP, Sangban_HP, and Doundoun_HP. Below these are 14 different solo patterns for the Djembe, ranging from 5 to 7 beats, including variations with double hits (2x), full continuos (C), and specific slot patterns. The notation uses circles for notes (open for right hand, crossed for left hand), dots for rests, and various symbols like slashes and arrows for HP parts. Some patterns include double circles representing full continuos. Measure lines are present at the end of each 6/8 measure.
